

Do you enjoy working outdoors? Are you comfortable working in remote mountain environments? Are you a carpenter? We are looking for Red Seal Carpenters to join our team!

## COMPANY:

Robson Design Build is a locally owned General Contractor specializing in remote infrastructure. We work in an exciting, high-performance culture and are looking to bring on key players to grow with our team.

## DESCRIPTION OF DUTIES

- Following and implementing detailed engineered design drawings with insight on improvements and challenges
- Layout and construction of work for a given project
- Ensuring you have all required tools and equipment to execute the job
- Carpentry duties include but not limited to; cutting, fabricating, fitting, formwork, bike trail features and installing assigned work with the highest quality
- Constructing unique timber bridges, structures and trails
- Leading certain projects

## SKILLS AND REQUIREMENTS

- Red Seal Carpenter with 5+ years experience
- Experience working on front country and back country projects (preferred)
- Passionate about outdoor pursuits
- Familiar with working long hours outdoors
- OFA Level 1
- Adventurous, self motivated
- Willing to work in the field throughout BC and Alberta
- Willing to be flexible in the position and assist with other scope during remote projects as needed

## WHAT WE OFFER

- A positive, dynamic and inclusive work environment
- Competitive wages, LOA, crew truck or vehicle reimbursements
- Gear deals, IRATA training (project specific)
- Flexible holidays
- Opportunity to advance within the company

Seasonal positions available, guides, ski patrol – we want you!

## APPLICATION:

Whether you are looking for a full-time career or a seasonal position, apply today, or contact our HR Coordinator at [jenna@robson.ca](mailto:jenna@robson.ca) for more information.

*We thank all candidates for their interest; however, only those selected for an interview will be contacted.*
