

# CARPENTER

## WHO WE ARE:

Robson Design Build is a locally owned General Contractor specializing in recreational infrastructure. At Robson, we work in an exciting TOUGH, high-performance culture and are looking to bring on key players to grow with our team. We're innovators of resilience, strength, and dedication. Our foundation is grounded in hard work, ingenuity, and a team spirit that pushes even the toughest projects forward. We stand out with our relentless drive, our ability to face challenges head-on, and our commitment to progress, no matter the weather or worksite location.

## WHAT YOU'RE HERE TO DO:

- Execute detailed engineered design drawings with a keen eye for spotting improvements and tackling challenges
- Handle layout and hands-on construction for each unique project
- Ensure you have all the tools and equipment needed to get the job done right
- Perform a range of carpentry tasks—cutting, fabricating, fitting, form-work, building trail features, and installing work to top standards
- Build one-of-a-kind timber bridges, structures, and trails that stand the test of time
- Take the lead on select projects, driving them forward from start to finish

## WHAT YOU BRING TO THE TABLE:

- Red Seal Carpenter with 10 years of solid experience in the field
- Passionate about outdoor pursuits
- Comfortable working long hours outdoors in all conditions
- Intermediate First Aid, Wilderness First Aid is a plus
- Driven, self-motivated, and ready for any challenge
- Willing to work in the field across BC and Alberta
- Ready to adapt and pitch in on various tasks during remote projects

## WHAT'S IN IT FOR YOU:

- A high-energy, supportive team that values everyone's hard work
- Competitive pay, LOA, and access to crew trucks or vehicle reimbursements
- Access to top-notch gear discounts and IRATA training on select projects
- Flexible holidays – if you need the time, we make it happen!
- Real chances to grow and take on new roles within the company
